

# Material Safety Data Sheet

## SECTION I - PRODUCT IDENTIFICATION

Product name: Liquid Sugar

Other Names: Regular Liquid Nulomoline, Liquid Honey-O, Congealed Nulomoline,  
Congealed Honey-O, Liquid Honey-O Special, Nulomoline #11 "76", Nulomoline #11 "73".

Manufacturer's Name: Grandma Food Products  
327 Rothesay Ave., P.O. Box 2240  
Saint John, N.B... Canada  
E2L 3V4

Emergency phone number: (506) 646 6650

Chemical Name & Synonyms: Liquid Invert Sugar  
Chemical family: Sugars

## SECTION II - HAZARDOUS INGREDIENTS

None

WHMIS RATING Rating: 0 = None - - - 4 = Extreme

Health 0 Flammability 1 Reactivity 0

Product is generally considered safe for human consumption. (GRAS)

## SECTION III - PHYSICAL DATA

Physical state:	Slightly viscous liquid	Odours & Appearance:	Fruity sweet, clear,
Vapour pressure:	Not determined		pale yellow.
pH:	3.5 - 4.5	Vapour density:	N/A
Evaporation rate:	Not determined	Specific gravity:	1.36 to 1.39
Freezing point:	Not determined	Boiling point:	104°C
		Solubility in water:	Highly soluble

## SECTION IV - FIRE & EXPLOSION HAZARD DATA

Flammability	Will burn only under conditions of extreme heat.
Means of extinction	Water
Flashpoint	Not determined
Flammable limits	Not determined

Special fire fighting procedures: Use NIOH approved self-contained breathing apparatus  
Unusual fire 7 explosion hazards: Material may spontaneously decompose at temperatures  
over 60 C.

## **SECTION V - REACTIVITY DATA**

Product is stable.

Incompatibility with other substances:      Avoid strong oxidizing agents.

## **SECTION VI - TOXICOLOGICAL PROPERTIES**

None

## **SECTION VII - PREVENTIVE MEASURES**

Personal protective equipment                      Not required

Product is generally considered as safe for human consumption. (GRAS)

## **SECTION VIII - SPILL OR LEAK PROCEDURES**

Wash with hot water. If large quantities are to be flushed into drains follow local regulations.

## **SECTION IX - STORAGE INSTRUCTIONS**

Store between 20 to 24°C under reasonably steady conditions of temperature.

Store away from materials with strong odour.

## **SECTION X - PREPARATION DATE OF MSDS**
